IMPROVEMENT OF  
STREETS STARTED

Las Cruces Women Plan to  
Turn Control of Park  
Over to City.

Las Cruces, N. M., Aug. 6.—An im-  
provement of Hinton avenue in Cox's  
third subdivision, has been started by  
the city. Water mains are being laid  
to the eastern part of Las Cruces. There  
are a number of modern homes on this  
avenue and they are farthest up on the  
mesa. The improvement will cost about  
\$1000.

In regard to the grading of Miranda  
avenue it was decided by the trustees  
that it would be done when the property  
owners connect with the sewer and city  
water system.

To Turn Park Over to City.

The Women's Improvement association  
is planning turning over the park on  
Las Cruces avenue to the city. The  
town council, it is said, favors the propo-

## BENEFITED MANY WHO

HAD LUNG TROUBLE

Those who suffer from Lung Trouble  
are generally troubled with night  
sweats, fever, loss of strength and little  
or no appetite. Eckman's Alternative is  
a medicine which has been most suc-  
cessful in stopping night sweats, re-  
solving fever and promoting appetite,  
and many who have used it declare it  
saved their lives. Investigate what it  
did in this case:

"Dear Sir: For four years I was trou-  
bled with cough, which gradually be-  
came worse. I had night sweats and  
pain in my chest. I was losing my ap-  
petite and had become so thin and  
weak I could not attend to my house-  
hold duties. A physician pronounced  
my disease Consumption. Not being  
satisfied, I was examined by the phy-  
sicians of the Polyclinic Hospital. They  
also confirmed my trouble and I was  
ordered away for treatment. My nephew  
would not allow me to go until I had  
tried Eckman's Alternative. Before I  
had taken the medicine three weeks, I  
had marked relief, night sweats ceased,  
pain in the breast relieved, cough be-  
came loose and easy, fever left me and  
I commenced getting well. My health  
became normal. I am in excellent  
health now and have been for twelve  
years. I strongly recommend it."  
(Signed) (MRS.) MARY WASSON,  
Care of Green, 1722 S. 17th St., Philadelphia.

(Above abbreviated; more on re-  
quest.)

building the system. Does not contain

## Half of The Original Prices

Will Buy Any Spring or Summer Suit in the House

WEIGH the statement in the headline carefully; half price may mean much or little. "Popu-  
lar" prices are always reasonable, the merchandise is of guaranteed quality, and there is  
no part of our policy that permits of merchandise being marked up before it is marked down.  
Every garment is from a reputable manufacturer. We, in common with other conscientious mer-  
chants, have no dealings with makers of cheap garments that are produced to give fictitious color  
to "sales." An early selection is advisable.
